**Read On.**

The Elizaville Food Pantry has been serving the needs of Livingston for many years. However, due to social distancing and the closure of places where pantry items are routinely collected and brought to the pantry, items are at a critically low point when the need is greatest. This is a perfect time to buy some extra items on your next trip to the grocery store and contribute items you do not need to feed your own family. Please watch out of date items as they will be discarded. See below for the two convenient drop off points where you will find plastic bins to leave your items and they will be brought to the pantry.

The Elizaville Food Pantry is open only one day per month, on the 2nd Wednesday (in April that is the 8th). However, if you or anyone you know is in need, please call the number below and arrangements will be made to meet your needs. Don't be shy. Now is the time we should all be helping our neighbors.
