

Town of Milan – Regular Town Board Meeting - September 21, 2026

The Milan Town Board held their Regular Town Board meeting on 09/21/2026 at 7:00 pm at the Milan Town Hall.

Present: Councilpersons Debra Blalock, Clint Bond, Jr., Kevin Pike, Glenn Weinrich, Supervisor Bill Jeffway

Absent: none

Also present: Glenn Butler, Highway Superintendent

Supervisor Jeffway opened the meeting at 7:00 pm with the Pledge of Allegiance.

Correspondence – the Town Clerk reported the following:

- Notice was received from the Town of Rhinebeck regarding a proposed Local Law to amend the Town Code Chapter 113 entitled “Vehicles and Traffic” to add provisions regarding the exclusion of vehicles over certain weights over the entirety of White Schoolhouse Road. Notice was distributed to the Board members on September 4th.
- The Annual Highway Equipment Inventory was received from Glenn Butler, Highway Superintendent, on September 21, 2026, which was sent by Mr. Butler to the Board electronically.
- Six FOIL requests have been received since the August board meeting, five of which will be completed by month-end, and the sixth the first week of October.

Public comment on agenda items

Legislator Chris Drago spoke in support of the resolution regarding the automated license plate readers (ALPR); believes it might be the first resolution of its kind in Dutchess County. The discussion regarding ALPR is often framed as a balancing act between public safety and privacy, but no one feels safe in a surveillance state. He will continue to be an advocate for the town. This Wednesday at 5:00 pm in Pleasant Valley, Eric Alexander has organized a Town Hall focused on Flock cameras – good opportunity to express thoughts.

OPENING of Sealed Bids for Highway Materials in 2027.

Town Clerk read the Public Notice.

Town Clerk opened and read sealed bids from the following five companies:

- A. Colarusso & Son, Inc., Hudson, NY
- Callanan Industries, Inc., Albany, NY
- Package Pavement, Stormville, NY
- Peckham Materials Corp., Brewster, NY

- Red Wing Properties, Inc., Stormville, NY

Highway Superintendent received the bids at the meeting and will make a recommendation to the Town Board for a future meeting.

END OF MATERIALS BID FOR THE TOWN OF MILAN HIGHWAY 2027

RESOLUTION ESTABLISHING A TOWN BOARD LIAISON TO TRANSFER STATION

MOTION by Supervisor Jeffway, seconded by Council. Blalock, to approve the following resolution to establish a Town Board liaison to the Transfer Station.

WHEREAS, the operation of the Town of Milan Transfer Station is an important public service and responsibility under the Town of Milan Town Board's responsibility,

NOW, THEREFORE, BE IT RESOLVED, that the position of Town Board liaison to the transfer station is hereby created,

BE IT FURTHER RESOLVED, that Glenn Weinrich is appointed to be that liaison through the end of the calendar year.

Roll was taken and the motion carried:

YES – 5 – Blalock, Bond, Jr., Pike, Weinrich, Jeffway

NO – 0

RESOLUTION AUTHORIZING THE TOWN SUPERVISOR TO WRITE TO KELLY TURTURRO, NYS DEC REGARDING ROE JAN MINE

MOTION by Supervisor Jeffway, seconded by Council. Pike, to approve the following resolution authorizing the Town Supervisor to write to Kelly Turturro, NYS DEC, regarding the Roe Jan Mine.

WHEREAS, the Town of Milan has been advised that the Roe Jan Quarry, operated by Red Wing Sand and Gravel (Red Wing) within the Town of Milan, has applied for a renewal of its mined land reclamation permit,

WHEREAS, the Town opposes the Roe Jan Quarry being used for any new, expanded purposes, that is to say, to process materials being brought to the site that are not quarried on the site,

WHEREAS, the Town is concerned that there has been little reclamation onsite to date and would like to see those areas of the site that are no longer being mined instead be promptly reclaimed and restored,

WHEREAS, on August 26, 2026, Notice of Violation from the DEC has stated that Redwing has excavated below final reclamation grades onsite and the Town finds this excessive excavation concerning because of the potential for groundwater contamination,

THEREFORE BE IT RESOLVED that the Town Supervisor is authorized to write and advise Kelly Turturro, Director, Region 3, New York State Department of Environmental Conservation, outlining these concerns and requesting an update in particular on reclamation plans.

Supervisor Jeffway read the draft of the letter from the Town of Milan (attached to these minutes).

Roll was taken and the motion carried:

YES – 5 – Blalock, Bond, Jr., Pike, Weinrich, Jeffway

NO – 0

RESOLUTION TO ALIGN MILEAGE REIMBURSEMENT TO IRS STANDARD

MOTION by Supervisor Jeffway, seconded by Council. Pike, to approve the following resolution to align mileage reimbursement to the IRS Standard effective July 1, 2026.

WHEREAS, the Town of Milan wishes to reimburse those allowable mileage costs in a way that is fair and consistent,

WHEREAS, the Town of Milan has generally followed the Internal Revenue Service (IRS) published guidance for business mileage reimbursement,

WHEREAS, from time to time the IRS changes that amount,

THEREFORE BE IT RESOLVED that the Town of Milan’s reimbursable rate per mile will align with the dates and amounts so declared by the IRS for business mileage effective July 1, 2026.

Roll was taken and the motion carried:

YES – 5 – Blalock, Bond, Jr., Pike, Weinrich, Jeffway

NO – 0

RESOLUTION REGARDING THE INSTALLATION AND OPERATION OF AUTOMATED LICENSE PLATE READER AND PUBLIC-SAFETY CAMERA TECHNOLOGY BY THE TOWN OF MILAN

MOTION by Council. Pike, seconded by Supervisor Jeffway, to approve the following resolution regarding the installation and operation of automated license plate reader (ALPR) and public-safety camera technology by the Town of Milan.

WHEREAS, the Town Board of the Town of Milan (the “Town”) is committed to supporting local law enforcement, including the Dutchess County Sheriff’s Department, with the use of modern tools that enhance public safety, assist in locating missing persons, aid in the investigation of crimes and otherwise protect the community;

WHEREAS, the use of automated license plate reader (ALPR) systems and other networked public-safety camera technologies, including but not limited to Flock Safety Cameras, raises important considerations related to privacy, data collection, governance, records retention, cybersecurity, and public transparency;

WHEREAS, the utilization of such technologies by the Town would create records and data that would be required to be managed in compliance with applicable state and local law, including the New York State Archives LGS-1 Records Retention and Disposition Schedule; and

WHEREAS, the Town Board is responsible for establishing policies governing Town infrastructure, data management, record retention, and long-term financial commitments.

NOW, THEREFORE, BE IT RESOLVED, that no Town Department or Official shall purchase, manage, install or operate automated license plate reader (ALPR) systems or any other networked public safety camera systems, including but not limited to Flock Safety Cameras, until such time as the Town Board has adopted policies governing their use; and

BE IT FURTHER RESOLVED, that in accordance with N.Y. Town Law § 64 (6), any contracts or agreements related to the purchase, management, installation or operation of automated license plate reader (ALPR) systems or any other networked public safety camera systems, including but not limited to Flock Safety Cameras, may only be executed after a proposed contract or agreement is reviewed and approved by the Town Board.

Discussion:

Supervisor Jeffway thanked Council. Pike for authoring the resolution.

DRAFT FOR BOARD APPROVAL

Via Regular Mail and Email

September 21, 2026

Kelly Turturro
Regional Director, Region 3
New York State Department of Environmental Conservation
21 South Putt Corners Road,
New Paltz, NY 12561

Re: Roe Jan Site—Red Wing located in the Town of Milan

Dear Regional Director Turturro:

The Town of Milan has been advised that the Roe Jan Quarry, operated by Red Wing Sand and Gravel (Red Wing) within the Town, has applied for a renewal of its mined land reclamation permit. Initially, Red Wing's August 10, 2021 application included a modification request to allow for the processing of sand and gravel materials imported from offsite. However, DEC's May 8, 2026, letter clarifies that the modification request is no longer part of the application and directs Red Wing to submit a revised application "for renewal purposes only." As you know the Town opposes the Roe Jan Quarry being used to process materials being brought to the site and not being quarried on the site as those activities are prohibited under the current zoning of the Town.

Currently, the Town is concerned that there has been little reclamation onsite to date and would like to see those areas of the site that are no longer being mined instead be promptly reclaimed and restored. The August 10, 2021 application notes that about 100 acres of the 108-acre site have been affected by mining activities. The attached aerial photos confirm this as they show the historic landscape of the Roe Jan Quarry. These aerial photos indicate that development of the site for mining purposes started in or around 1990. A substantial change in area being quarried occurred between 2000 to 2026, however, overlapping with Red Wing's control of the quarry (*i.e.*, Red Wing reportedly purchased the Roe Jan Quarry shortly after 2000).

The Town would like DEC to advise it on the state of the reclamation at the Roe Jan Quarry and whether there are plans to complete reclamation activities onsite soon. The August 10, 2021 application states that about 10 acres onsite have been reclaimed and are awaiting Departmental approval, along with another 27 acres that would “serve as areas to be reclaimed during the coming permit term.” However, from the attached August 26, 2026, Notice of Violation, DEC has stated that Red Wing has excavated below final reclamation grades onsite. The Town finds this excessive excavation concerning because of the potential for groundwater contamination. Therefore, the

Town would like to emphasize its desire to have Red Wing actively reclaim those areas of the site that are no longer being quarried.

Thank you for your attention to this request. If you have any questions, please do not hesitate to reach out to me.

Very truly yours,

Bill Jeffway
Town Supervisor
Town of Milan
